

BANNER

PREMIUM ORGANIC VODKA WITH TEXAS RAINWATER

This award-winning spirit is micro-batch 6X distilled in stainless hybrid stills with organically grown corn, wheat, and sugarcane. It is proofed with pure Texas rainwater before filtering through select coconut shell carbon for an exceptionally clean and smooth finish. Banner Natural Vodka is a premium sipping vodka perfect for all cocktails. Each 750ml bottle is hand distilled, proofed, filtered, and filled by the distillers. This organic vodka is distinguished and made unlike any other.

Tasting Notes

Balanced, Clean, Silky

A balanced mouth feel highlights a rich and silky character on the palate. A remarkably soft and buttery texture rounds out an ultra-clean finish.

Beverage Testing Institute commented:

"Mild, interesting aromas of hazelnut nougat, spumoni gelato, and oatmeal raisin cookie with a satiny, bright, dry-yet-fruity medium body and a silky, easy pepper-herb muffin, chalk, and moss finish. A nice creamy, nutty vodka."

Micro-Batch Process

- 100 gal batch distilled 6X in stainless & copper stills
- Sustainably distilled with wind energy
- Hand distilled and bottled by the owners & distillers

Bottling Details

- Bottled at 40% ALC / 80 Proof
- Not chill filtered, No additives
